Business Continuity Plan

Follow the 12 easy steps in the **business continuity planning guide** to help you complete this plan. Your completed plan will identify the essential actions required to ensure your organisation is prepared to get through a disruption.

STEP 1

Your staff:

Potential vulnerabilities or commitments that might impact staff availability after a disruption:

- ☒ All staff members have had a discussion about personal preparedness.
- ☒ Our organisation has emergency supplies and we have set a calendar reminder to restock them once a year.
- ☒ Our organisation has next of kin contacts for each staff member located in their personal file.
